

EUROPEAN COMMISSION
DIRECTORATE-GENERAL FOR STRUCTURAL REFORM SUPPORT

The Director-General

Brussels
REFORM.A.3/AS

Dear Members of the Eastern Mediterranean Think Tank,

Thank you for your letter of 3 August addressed to Vice-President Schinas and your proposals for a way forward on the issue of a just resolution of the Cyprus problem. The Vice-President has asked me to reply on his behalf.

I would like to reiterate what I wrote to you in response to your letter to President von der Leyen and Vice-President Borrell regarding the great value of this initiative and the thought and effort that you have expended on arriving at such detailed proposals. While it is for the parties themselves to adopt appropriate solutions rather than for the European Commission, we are ready to accompany the process in as constructive a manner as possible.

I thank you once again for the enjoyable and interesting meeting in Nicosia during my recent mission to Cyprus. We are happy to continue exchanging on the issues discussed.

Yours sincerely,

Electronically signed

Mario NAVA
